A lasting way to honour a person or event….

Blessed Father Michael J. McGivney

New 'GRANITE' Heritage Brick

The Monument and Statue of the Founder of the Knights of Columbus is located on the beautiful grounds of Heavenly Rest Cemetery (Windsor) directly across from the main entrance of St. Francis Mausoleum. The walkway leading up to the Statue has been named the **Knight's Walk**. This is where you can honour a Brother Knight / Sir Knight (living or deceased), a family member or friend. You can also mark a special anniversary or event**.**

The custom engraved brick will become part of the walkway and will enhance this prayerful site. This is a tangible way to promote the canonization of the **Blessed Fr. Michael J. McGivney** and future activities at the site. All funds will be managed by the London West Diocesan Association (LWDA).
